

## Check before you choose

★ Sugary drinks, a leading cause of tooth decay, are also linked with **excess weight in children**, which **increases their risk of heart disease, cancer and type II diabetes**.

★ If choosing other drinks read the label to **check the sugar level, ideally choose no added or low-sugar options**.

★ Limit fruit juice or a smoothie to a small glass, once a day. **Always choose unsweetened**.

★ If your family is in the habit of drinking sugary drinks, **reduce them gradually. Only give them with a meal to reduce tooth decay**.

★ If choosing squash or cordial, **water it down well**.

★ Water is tastier when it's cold:

★ Put a jug of water in the fridge

★ Make it fun, use colourful cups and straws

★ **Do not introduce sugary drinks to toddlers** in the first place then you won't have to wean them off later.

FIZZY Fizzy Drinks (Regular)
