

Staying safe down on the farm

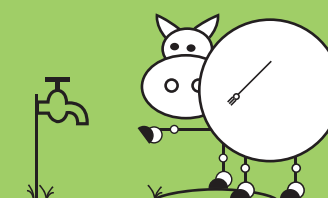

Don't kiss the animals or let them lick your face and never touch any animal droppings

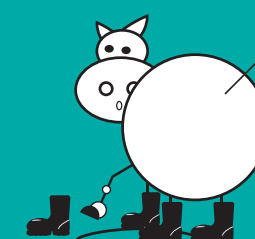

Don't suck your fingers and keep pens, pencils or crayons out of your mouth

Don't drink from any taps unless they are clearly marked 'drinking water'

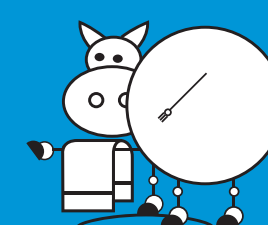

Clean or change your footwear before leaving

Wash your hands thoroughly with soap and warm water

- after visiting the animal area
- after cleaning footwear
- before eating

Don't drink unpasteurised or raw milk. Only eat in the designated areas and only eat food you have brought with you or purchased from a food shop on the farm. Don't taste animal foods or eat food that has fallen on the ground
